Become a Sanford Health Sheldon Care Center Volunteer!

Sanford senior care volunteers "give...care...and make a big difference in the lives of our residents". They inspire and create moments of joy. They lift our residents' spirits and engage them in conversation. Our volunteers also support our activity program that embraces the commitment of providing fulfillment in life and happiness as well as strengthens community ties.

We are looking for individuals and "groups" that have a passion of "giving" and have a desire to make a difference in someone's journey. **If this is you**, contact Sue Roth to find out more about how you can contribute your time and talents. **You too**, could have a significant impact that shines a light onto our residents' journey. This is an incredible opportunity for companionship by spreading kindness and touching the hearts of many- including your own!

As Mother Teresa stated, "It is not how much we give but how much we put into giving." Our Sanford senior care volunteers are simply amazing, and we are so proud of them! I hope you join our current volunteers as I would love to hear from you!

Thank you,

Sue
